The 2025 University Physics Competition
Results Announcement – January 15, 2026

We are very pleased to announce the results of the sixteenth annual University Physics Competition. The University Physics Competition is an international contest for undergraduate students, who worked in teams of up to three students at their home colleges and universities all over the world, and spent 48 hours during the weekend of November 7, 8, & 9, 2025, analyzing a scenario using the principles of physics, and writing a formal paper describing their work.

In this year's competition 842 teams submitted papers for judging. 131 teams selected "Problem A – Acoustic Preservation of the Electric Sasando" and 711 teams selected "Problem B – Artillery."
